

KEEP WASHINGTON COUNTY BEAUTIFUL is a local non-profit 501(c)(3) group which consists of Brenham residents, County residents, and local leaders that have three common goals in mind to enhance the quality of life in Washington County. Major goals of this group are litter prevention, beautification and source reduction/recycling.

Mission Statement

“The mission of Keep Washington County Beautiful is to educate and engage Washington County citizens to take greater responsibility for keeping our historic county clean, safe, and beautiful, through litter prevention, waste management, beautification, and recycling.”

KWCB is dedicated to “getting dirty” and taking back our community from unsightly conditions. Membership dues and donations are used for educational outreach (flyers/brochures), cleanup events supplies (vests, pickers, etc.), and organized community events (Texas Recycles Day, Earth Day, Phone Book Recycling Drives, Texas Trash Off etc.) that benefit only Washington County. KWCB has public meetings during each year. For more information on meeting dates, time and location, please contact kwcb@brenhamtexas.com or visit www.KWCBtexas.com
